

ABOUT ACCM AND THE CONFERENCE

The Association of California Construction Managers (ACCM) is a statewide organization that represents its members on industry issues. Whether its school facility grant levels, alternative delivery method options, or scope of practice issues, ACCM will be at the table in negotiating the future of construction management practice for the K-14 education facility industry.

ACCM's mission is to:

- Maintain a professional organization for K-14 construction managers;
- Provide regular industry and legislative information to its members;
- Advocate for increased state school facility grants;
- Advocate for ensuring continued state funding for school facility projects;
- Promote good CM delivery amongst its members through sharing of best practices.

Previous Conference sessions have included:

- Alternative Delivery Services for Community College Districts
- Legal Issues for Construction Managers
- The Status of California's Budget
- The CM Role in the Collaborative Process
- Energy Efficiency and Modernization Planning
- Design-Build
